

# Bentham Road Health Centre

Bentham Rd, Blackburn
BB2 4QD

Tel: 0154 965200

Cornerstonepractice.com

Dear Patient,

Please find enclosed some registration forms.

We would appreciate it if you would complete the forms in as much detail as possible. Please note that if any information is missing, there may be a delay in your registration. We will try and process your registration as quickly as we can, which can take up to 2 weeks. However, it would be advisable to ensure that you have sufficient medication issued by your previous surgery, whilst your registration form is being processed.

Included in the pack of forms are:

- The Registration Form Please complete with as much detail as possible (middle names, previous address and previous GP name and address) PLEASE ENSURE THAT YOU SIGN THE FORM.
- An Electronic Prescription Service (EPS) Nomination Form this enables you to choose a pharmacy
  for us to send your prescriptions electronically. (Please note that certain prescriptions cannot be
  sent electronically).
- Next of Kin and Personal Information Form Please can you let us know your next of kin name, phone number, and relation to you – this is important in case we need to contact them in an emergency
- Summary Care Record Please indicate whether you allow us to <u>share your information in an</u> <u>emergency with the Emergency Services</u>
- An 'Out of Area' declaration form- Only needs to be completing if your property is outside our Practice Boundary. (One of our staff members would be able to help identify this)

If you have any queries, please contact us on the above number.

Yours sincerely Trudi Jenkinson Site Manager

# **Accessible Information**

We aim to ensure all our patient, service users, carers and parents have access to information in the format they require.

Please let a receptionist know if you would like this information pack in an alternative format e.g.

Large print

| Anybody in England can register with a GP practice and receive free medical care from that practice.  However, if you are not 'ordinarily resident' in the UK you may have to pay for NHS treatment outside of the GP practice. Being ordinarily resident broadly means living lawfully in the UK on a properly settled basis for the time being. In most cases, nationals of countries outside the European Economic Area must also have the status of 'indefinite leave to remain' in the UK.  Some services, such as diagnostic tests of suspected infectious diseases and any treatment of those diseases are free of charge to all people, while some groups who are not ordinarily resident here are exempt from all treatment charges.  More information on ordinary residence, exemptions and paying for NHS services can be found in the Visitor and Migrant patient leaflet, available from your GP practice.  You may be asked to provide proof of entitlement in order to receive free NHS treatment outside of the GP practice, otherwise you may be charged for your treatment. Even if you have to pay for a service, you will always be provided with any immediately necessary or urgent treatment, regardless of advance payment.  The information you give on this form will be used to assist in identifying your chargeable status, and may be shared, including with NHS secondary care organisations (e.g. hospitals) and NHS Digital, for the purposes of validation, invoicing and cost recovery. You may be contacted on behalf of the NHS to confirm any details you have provided.  Please tick one of the following boxes:  a)   understand I have a valid exemption from paying for NHS treatment outside of the GP practice. This includes for example, an EHIC, or payment of the Immigration Health Charge ("the Surcharge"), when accompanied by a valid visa. I can provide documents to support this when requested  c)   I do not know my chargeable status  I declare that the information I give on this form is correct and complete. I understand that if it is not correct, appropri |                     |   |               |                     |                           |

 $\bigoplus$ 

How will your EHIC/PRC/S1 data be used? By using your EHIC or PRC for NHS treatment costs your EHIC or PRC data and GP appointment data will be shared with NHS secondary care (hospitals) and NHS Digital solely for the purposes of

Your EHIC, PRC or S1 information will be shared with Business Service Authority for the purpose of recovering your NHS

costs from your home country.

cost recovery. Your clinical data will not be shared in the cost recovery process.

#### This is very important:

We need your permission to share records with Hospital and Ambulance

Your emergency care summary

Dear Patient

# **Summary Care Record – your emergency care summary**

The NHS in England is introducing the Summary Care Record, which will be used in emergency care. The record will contain information about any medicines you are taking, allergies you suffer from and any bad reactions to medicines you have had to ensure those caring for you have enough information to treat you safely.

Your Summary Care Record will be available to authorised healthcare staff providing your care anywhere in England, but they will ask your permission before they look at it. This means that if you have an accident or become ill, healthcare staff treating you will have immediate access to important information about your health.

Cornerstone Practice is supporting Summary Care Records and as a patient you have a choice:

| Yes, I would like a Summary Care Record – you do not need to do anything, and a Summary Care Record will be created for you.  |
|---|
| No, I do not want a Summary Care Record. Please ask a member of the reception team for an Opt-Out form, complete with signature and hand it to a member of the GP practice staff. |

If you need more time to make your choice you should let your GP Practice know. For more information, visit **www.nhscarerecords.nhs.uk or** telephone the dedicated NHS Summary Care Record Information Line on 0300 123 3020.

Additional copies of the opt out form can be collected from the GP practice, printed from the website **www.nhscarerecords.nhs.uk or** requested from the dedicated NHS Summary Care Record Information Line on 0300 123 3020.

You can choose not to have a Summary Care Record and you can change your mind at any time by informing your GP practice.

If you do nothing, we will assume that you are happy with these changes and create a Summary Care Record for you. Children under 16 will automatically have a Summary Care Record created for them unless their parent or guardian chooses to opt them out. If you are the parent or guardian of a child under 16 and feel that they are old enough to understand, then you should make this information available to them.

Yours sincerely

Katie Stanton

## Please read carefully

## Please complete if your address is Out of our Area

We are aware that you live outside the practice area (catchment area).

#### Under this scheme the Practice is not required to provide you with a home visit.

You may on occasion, develop an urgent illness or injury at home which means attending the GP surgery as normal would not be appropriate. If you require urgent medical services whilst you are at home, please contact the practice in the first instance. If we determine you need access to services local to where you live, we may ask you to call NHS 111.

If urgent care services are required NHS 111 will direct, you to a service that has been established by NHS England for patients such as you. This local service could be a GP practice near to where you live, the local walk-in or urgent care centre. In these circumstances you will need to provide our practice details as above to the urgent care provider to allow them to transfer your consultation data to us so we can update your records.

### **Out of Area New Patient Questionnaire (Please Complete)**

| 1: Have you consulted a GP at least 4 times in the previous 12 months? Yes / No                 |
|---|
| 2: Have you needed a GP home visit on at least 2 occasions in the previous 12 months? Yes / No  |
| 3: I receive home based care or community-based care because of a condition that I have. Yes/No |
| 4: A child of a family member is on the Child Protection Register. Yes/ No                      |
| 5: I am on more than 3 regular medications. Yes/ No   |
| If you have answered 'Yes' to any of the questions above, please provide a brief explanation:   |
|   |

#### REGISTRATION DECLARATION

**If you answered 'Yes' to the Patient Questionnaire** the GP will review your application to determine if it is clinically appropriate to accept you on to our list under this arrangement. In some circumstances the GP may contact your current practice for further information regarding your medical history. Your signature below acts as your consent for us to request this information.

**If you answered 'No' to the Patient Questionnaire** You are accepted on to our list under this arrangement because it was agreed it was clinically appropriate and practical to register you in this way today.

#### PATIENT DECLARATION

In the event that your health requirements change and it is that our professional opinion would be that it would be more clinically appropriate and practical for you to register with a GP practice nearer to your home to provide home visits or urgent appointments more conveniently, then the terms of this registration will change and you will be advised to register with a GP practice closer to home.

I understand the terms and urgent care arrangements of this registration application: (OOA code 912N)

Please be aware that once you have been registered on our system we will send you a letter of confirmation and request that you book an appointment for a registration check with the nurse to take some of your medical history until your records are received from your previous G.P.

(only required for those above the age of 8)

Also note that if you are registering a new-born baby, we will need their NHS number which can be found in the red book.

Many thanks, the Cornerstone Team!
